

Trigger Point Dry Needling

Sponsored by The South Carolina Physical Therapy Association
and The Medical University of South Carolina Faculty

September 14th–15th, 2019
8:00 am–5:00 pm

MUSC College of Health Professions
Room B 213
151 Rutledge Avenue
Charleston, SC 29403

24 hours of CEs

10 hours completed online prior to attending the 2-day
(14 hr) course on Trigger Point Dry Needling

Course Faculty: Gretchen Seif, PT, DPT, OCS, FAAOMPT &
Jason St. Clair, PT, DPT, OCS

This online and laboratory course will enhance the ability of clinicians to examine and evaluate patients with myofascial pain and dysfunction utilizing integrated orthopedic manual therapy approaches and evidence-based practice principles. The laboratory will emphasize the physical examination and intervention techniques with the use of trigger point dry needling for specific muscles covered in the course.
