

**CALL FOR PROPOSALS
2019 SCAPTA Annual Conference
“Transforming Society Through Healing”
March 22-23, 2019**

The Kroc Center, 424 Westfield St, Greenville, SC 29601

DEADLINE FOR SUBMISSION: September 14, 2018

The South Carolina Physical Therapy Association (SCAPTA), a chapter of the American Physical Therapy Association, is accepting proposals for its 2019 Annual Conference in Greenville, SC. SCAPTA is the only professional organization representing physical therapists and physical therapist assistants in South Carolina. The purpose of SCAPTA’s Annual Conference is to foster advancements in physical therapy practice, research, and education. We will accept proposals through September 14, 2018. Speaking at the SCAPTA Annual Conference is a great opportunity to share your knowledge and enthusiasm. Proposals that support this year’s “Transforming Society Through Healing” conference theme and represent transformative, bold vision and innovation are strongly encouraged.

SCAPTA encourages speaker participation and offers incentives such as discounted registration and honoraria for selected sessions. For selected sessions, we will offer flat honorarium that can be divided among the speakers of that session in whatever manner those speakers decide. PTs, PTAs, and all others with expertise in the topic of their presentation are welcome to submit a proposal for this conference.

Programming sessions are either 1 or 2 hours in length, with possible breaks. Depending on the perceived popularity of a topic, we may request that you offer it twice, as we will have multiple sessions running concurrently. Offering a presentation twice may increase the number of options for attendees to get the information they’re seeking.
